

Harmony Harvest

Bulletin #2

September 10th, 2018

Hello Wonderful Area 1 Women and Marvellous Sunrise Men!

Our next Area 1 Education Day is rapidly approaching – Harmony Harvest in Moncton on Saturday, October 13th. I am pleased to advise that we have 12 (!!) classes being offered throughout the day by our own Area 1 experts for your education pleasure! In addition to these fabulous sessions, we will also have warm-up times and mass singing of a new song – a Steve Delehanty original titled “Singing and Having Some Fun”. Your registration fee of \$15 (\$5 for Newfoundland & youth) will include sheet music and learning tracks.

For any men who may be joining us, we ask that you stay true to the music as arranged – you may need to stick with the bass or bari if the lead and tenor are too high for you. This way we can ensure we have those four part chords ☺

It’s shaping up to be a phenomenal event! You will see a list of classes available very soon and I hope you’ll all be as excited as I am for this right-some-awesome day! Registration form is attached – the sooner you register the more time you’ll have to learn your music!

Looking forward to seeing you there!

Peace, Love, & Harmony,

Jill Reid

Area 1 Education Coordinator
