

Harmony Harvest

Bulletin #4

September 24th, 2018

Hello Harmony Harvest Harmonizers!

As promised, attached is a complete schedule for the day, along with the registration form for those who have not yet signed-up ☺. A heads up that the Rodd Hotel is all booked for the Friday night, but according to my Expedia research there are several other hotels with similar rates available. A reminder that if you plan to take part in Judy's Directing class to advise myself or Judy ahead of time.

Our Mass Sing times will be led by Sue Kember, Director of Area 1 first place chorus, ScotianAires. Area 1 quartet champions, Tonic!, will be leading us in the end-of-day tag time. Warm-ups folks will be Carolyn Prime (Director of Island A Cappella), Cathy Hunter (Assistant Director, ScotianAires & Baritone of Tonic!), and Jennifer Carson (Performance Chair of IAC and dance teacher extraordinaire). Sequence will be the demo quartet for Sue's *Coaching Under Glass* session. Info on our class facilitators to come next week!

Have an amazing week and keep those registrations coming! We are currently at around 50 registered and we would love to have 100!

Peace, Love, & Harmony,

Jill Reid
